Pineapple Door Quilt: May 4, 11 am – 3 pm, Class \$20
Second class, May 13

Pineapples are a symbol of welcome. This hanging will say it bright and bold. I am looking forward to having people in my home again after a long 2 years. How about you?

22" x 18" Versatile Tote: May 11, 11 am – 3 pm, Class \$20

This is a very new style of bag. It has great outside pockets. Use it for a picnic or a trip to the beach. Deco Bond helps make it stiffer and easier to use.

One Block Wonder: May 18, 11 am – 3 pm, Class \$20

This style of quilt continues to evolve. Each block is different looking but constructed the same. Learn the basics and my twist on the block.

Convergence: May 25, 11 am – 3 pm, Class \$20

Mysterious, Magical, Easy and Fun is how Ricky Tims' describes his technique. We'll start with a basic design. Then you can go on to design stunning works of art. His book can take you to a new universe of quilt making.
