

Class List – November 2018

3-D Stars, Thurs., Nov. 1, Noon – 3pm, \$15 Teacher: Bonnie

Those 3-D stars you are seeing all over are not hard to make. A little time and patience and you will have a beautiful decoration or gift. Please sign up early so I can order more patterns if needed.

Log Cabin Tree or Wreath, Thurs., Nov. 8, 10am to 2pm, \$20 Ruth

Log cabin blocks can be assembled to make a tree or a wreath. Simple to construct. Fun to display for the holidays or give as a gift.

Lavender Fields, Wed., Nov. 14, 11am – 3pm, \$20 Teacher: Bonnie

This new design is soft and airy. To me it looks like snow flakes. Or you can make it in brights. The pattern gives directions for Lap: 68"x68", Twin: 68"x86", Queen: 86"x103", King: 108"x108". The new Cat's Cradle XL Tool is required.

Covered Boxes, Wed., Nov. 28, Noon – 3pm, \$15 Teacher: Bonnie

Let's cover boxes with fabric to put gifts in or to give as a gift. You need to look for a box with a separate lid that is loose on the box. You can cover just the outside or also the inside. I like to save the boxes and use them again every Christmas but most people like to keep them.

If there is a class you missed and would like to take, please let me know and we will set something up at a time that is good for you. Getting a friend to join you is even more fun. Bonnie
