

Class List May-June

Kaleidoscope Beauty - Kits now available for purchase without class.
This quilt is so beautiful that you will be surprised how fast it goes together. 16 inch blocks become a 64" x 86 1/2" quilt in short order. There are two kits to choose from, one in purples with a dark background and one in blues, red, orange and gold with a white background.

Window Wall Hanging – Wed., May 10, 11am – 3 pm _____ \$20

If you missed out on doing a window quilt, now is your chance to "get her done!" Pick a panel with a view and customize the sashing to fit. Bonnie's sashing size is smaller than most. This simplifies the cutting for the panes and lets the view shine through. There is still room in this class.

Zippered Bali Purse – Thurs., 5/25 & June 1, 11am – 3 pm _____ \$40

Please join Yuliya for a journey in bag design. Simple instructions and stunning color choices will make a bag that will get WOWs from all your friends. Yuliya is a fun teacher with super skills. Limit 5.

One Block Wonder – Wed., 6/7 & 6/14, 11am – 3pm _____ \$40

So many have asked to do this class. I thought we would try the Kaleidoscope version. That will make it a little easier to piece and sew together. It's so much fun seeing how each block comes out.
